BOARD OF NURSING

IN THE MATTER OF THE LICENSE OF :	Administrative Action
FRANK MARTUCCI, R.N. :	
LICENSE # NO 10066300 :	ORDER OF REINSTATEMENT
TO PRACTICE NURSING IN THE :	OF LICENSE
STATE OF NEW JERSEY :	

This matter was opened to the New Jersey State Board of Nursing (" Board") upon receipt of respondent's petition for reinstatement of his nursing license, which had been suspended pursuant to a Final Order of Discipline filed on January 10,

2013. A \$250.00 civil penalty had also been imposed. The basis for the suspension was respondent's failure to fully respond to a Board inquiry concerning continuing education. The duration of the suspension was to be until respondent had provided documentation of continuing education completed during the June 1, 2009- May 31, 2011 renewal period.

Respondent has now furnished documentation of completion of 76.25 contact hours of continuing education during the requisite timeframe. The Board having determined that respondent more than satisfied his continuing education obligation for the 2009-2011 renewal period, and that respondent's delay in furnishing continuing education was due to a misunderstanding, and for other good cause shown;

IT IS on this 11th day of March , 2013

HEREBY ORDERED that:

1. Respondent's petition for reinstatement of his license to practice nursing in New Jersey is granted. The \$250.00 civil penalty imposed by the January 10, 2013 order is hereby rescinded.
